- Next Mallala Ride day coming up on May 14th.
- 2021 Perpetual Trophies to be awarded next General Meeting over dinner – location TBA.
- Adelaide 3hr for 401cc+ only – up to 3 riders per team, Adelaide 150km race to be run for Supersports 300's, teams of 2 max.

Competition Secretary Report – ASBK Rd 3

- #61 Arthur Sissis had 6th place wins in both Alpinestars Superbikes races, leaving him 7th in championship placings at present with #25 Daniel Falzon not far behind in 9th.
- #85 Ty Lynch gave a standout performance and was hot on the heels of John Lytras all weekend with 2nd and 3rd place wins in Michelin Supersport, and currently sits 2nd in the championship on 100 points.
- #80 Cameron Rende scored 51 total points over the weekend in the bLUcRU Oceania Cup, including one 3rd place finish - an absolutely fantastic effort from Cam after a collision and subsequent crash on the Friday. Cam currently sits in 3rd place for the championship. Well done Cameron!

Competition Secretary Report – ASBK Rd 3

- #51 Sam Pezzetta is sitting in 6th overall for the Yamaha Finance R3 Cup championship after adding 34 points to his total, and 7th overall in the Dunlop Supersport 300 class. A solid effort from Samuel.
- #57 Cooper Rowntree had a successful weekend across the two classes as well, consistently improving his times over the weekend and getting down into the 1:06's by Sunday, and a highlight of two 12th places in the R3 Cup. Great job Coop!
- #86 Dallas Skeer's weekend didn't go to plan, with multiple mechanical issues halting his racing and so sadly not picking up any points for the round.
- #220 Declan Carberry competed for the first time in Michelin Supersport, and despite also facing some bike issues during practice and a crash during qualifying which left him sore, took 9th overall for the round. Great effort Declan, I know there were many eyes on you at home across the weekend and we can't wait to watch your growth in the series.
- #23 Jordy Simpson picked up 23 round points in Supersport 300 and 21 in the R3 cup, his best round performances so far this year.
- #45 Olly Simpson had an unfortunate end to his weekend after a late crash in practice which left him unable to compete, and has taken him from the championship lead in Supersport down to 7th place.

- Juniors 150cc bikes will have supp regs changed to allow up to 160cc to make older Honda 150 bikes more competitive against the newer R15 bikes. Upgrade kits are \$500 and work is being undertaken to work out a cost effective install option so everyone with an older bike can make use of the upgrade.

Also allowed up to 1300cc watercooled v-twins.

Blu Cru

- Great first round at Mac Park

Publicity Officer Report

- Wrap-up posts from race meetings etc. are working well and in particular having MSA share our ASBK write-up was a good step forward. Our Easter Cup posts got really good traction as well with shares from AMX, Ricondi and others. This makes for really good cross-promotion, increases our reach and engagement figures as well as just looking really good for us to have that acknowledgment. I'll continue with this model of posting moving forward.
- Sponsor posts are happening on Tuesdays across facebook/instagram - I am scheduling these and other posts in advance. I have all of our posts mapped out on my desktop calendar now to ensure that we are meeting our goals through our socials.
- Can EVERYONE make an effort to at least like/comment on these posts please. You can still help our engagement without having to share the posts.
