Competition Report

Master Of Mac was run over the weekend and the weather gods smiled upon us with absolutely perfect conditions. Who would have thought we'd be worried about sunscreen and sunburn down in Mount Gambier?

With a solid field of competitors and ideal conditions the pace was going to be hotter than a certain concreter in the middle of a hot summers day. As it turned out this proved to be the case with lap records tumbling in various classes over the weekend.

Club member Arthur Sissis destroyed the lap record with a 1:07.856

Samuel Pezzetta thought it would be a good idea to go into the 15's on his little 300. He broke his own lap record and went on to take a clean sweep. He almost managed to win Limited on a bike with 50 horsepower less.

Cameron Rende set a new lap record for Juniors on a 150 of 1:25.274

Dallas managed to get into the 1:09's on his R6.

Competition Report

The feature races were almost a clean sweep by club members with Arthur taking out the Master of Mac, our very own Sandro taking out the Consolation Master and Sammy taking out the Lightweight Master of Mac. Ryder Gilbert took out the Junior Master of mac.

Several club members doing well in the various championships.

Sandro currently leads the Fearless championship.

Rikki Henry leads the Juniors.

Sandro leading the Limited championship.

Dwayne Tosen leading Pre-mod 07

Michael Kemp currently sitting 3rd in Superbike championship.

300 championship is Sammy, Cooper and Tara Morrison sitting 1st, 5th and 6th respectively.

Supersport is Dwayne Tosen 4th, Libero Billetti 6th and Charles Holding 8th.

Unfortunately due to the nature of this sport we all love we had some members injured over the weekend. We wish them all a speedy recovery and hope to see them out again as soon as possible.
