Secretary's Report

- Supp regs approved
- Final instructions being prepared for June round.

MSA Delegate Report

- No meeting held yet this month due to clash with CAFNIX Race Preparation meeting last week.

Publicity Officer Report

- Wrap-up posts from race meetings etc. are working well and in particular having MSA share our ASBK write-up was a good step forward. Our Easter Cup posts got really good traction as well with shares from AMX, Ricondi and others. This makes for really good cross-promotion, increases our reach and engagement figures as well as just looking really good for us to have that acknowledgment. I'll continue with this model of posting moving forward.
- Sponsor posts are happening on Tuesdays across facebook/instagram - I am scheduling these and other posts in advance. I have all of our posts mapped out on my desktop calendar now to ensure that we are meeting our goals through our socials.
- Can EVERYONE make an effort to at least like/comment on these posts please. You can still help our engagement without having to share the posts.

Social Secretary Report

- GoKarts Social Event – July 16th
 - Gepps Cross
 - 18 Karts – 32-36 drives, 16 teams.
 - Followed by lunch at Coopers Ale House across the road.

General Business

- Tyre changing – need to confirm limits of liability of changing other peoples tyres / use of personal machines. Do we need to co-ordinate payment of public liability insurance for tyre changer. -
Gareth to follow up
 - *No liability left on the club for people changing their own tyres by any means, however situation changes when payment is made. We need to be wary of not upsetting those that come and support our events as well as being self sufficient*
- Toilet hire for East Circuit to be arranged – Sorted, Gareth
- BBQ for post racing on Saturday afternoon. Presentations at Welcome Centre.
- Catering options for SAFMA – opted to be paid per day.
