

Change to Phoenix MCC Constitution Request Form

Please note that a Special General Meeting must be called to make changes to the Phoenix Motorcycle Club Constitution and that all life, full and associate members must be notified reasonable time prior to this Special General Meeting. Note that only financial life, full and associate members can vote.

If changes are approved, the Public Officer of the club must register any rule change which comes into effect at the time that the alteration is passed by the membership. The change must be lodged with CBS within one month. This includes a copy of the minutes of the Special General Meeting. Late fee apply above lodgement fees for delayed lodgement.

Date:	2 nd January 2023
Requested by:	Rick Dowsett
Current Rule	19.6 Full and Associate Membership expire annually on the anniversary date of current full or associate membership and payment of membership fees for the subsequent year are immediately due and payable unless the membership has previously been terminated under the rules.
Requested Change to Rule:	19.6 Full and Associate Membership expire annually on December 31 and payment of membership fees for the subsequent year are immediately due and payable unless the membership has previously been terminated under the rules.
Rationale:	Management of member renewals for a club our size is extremely time consuming and difficult to manage. It is also difficult to keep annual membership records under current methodology. Ideal is to revert back to membership over calendar year.
Comments:	Suggest all members that have renewed membership after 1 st October 2022 includes their 2023 membership. Note also that any member that hasn't renewed membership when due, does not have membership rights or voting rights until paid in full.
