For Sale / Classifieds

2010 Suzuki GSXR1000 – \$7700 - John Snoad 0418 828 912

Strong, well balanced and vice free race / track bike. 8's at Mallala with previous owner - 12's myself, and 14's at Hidden Valley with 67 year old on board - it really is an easy bike to ride fast.

- 16,017km - Well sorted and fast set up by previous owner, Struggie99.
- Strong detailed tune by Jamie Banks at Spot On Motorcycles , with Power Commander and ignition module.
- Suspension upgrades by Hoey Racing, Motion Logics rear sets with quick shifter.
- Fresh SBS dual sinter pads with Pro Bolt Ti pad pins. This combination, with Brembo 19/20 master gives strong bite, with excellent feel and modulation.
- Handlebar mounted rear brake - strong and excellent feel (anti-wheelie and corner drop in).
- Two sets wheels, one with wets - tyre warmers included. 2 exhaust systems, currently running Two Brothers shortie.
- Two complete sets bodywork - currently running new Armour Bodies with new paint job, but unfortunately showing some crash damage. Several sets of gearing options.
